## 1. Introduction

Welcome to AI Money Hacks 2025 ■ This guide will show you how to: • Earn quick signup bonuses • Get paid for testing apps & tools • Build a sustainable affiliate business using free AI tools All while staying safe, transparent, and realistic about what works.

## 2. Disclaimers & Transparency

■■ Earnings Disclaimer: Income results vary. This ebook shares legitimate methods, but your success depends on your effort, consistency, and available opportunities in your country. ■ Privacy Notice: Some platforms collect data when you sign up—always read their terms before registering. ■ Affiliate Transparency: Some links in this ebook are affiliate or referral links. If you sign up through them, I may earn a commission at no extra cost to you. This supports the free content provided here.

## 3. How This Ebook Works

Phase 1: Start with easy signup bonuses to generate initial cash. Phase 2: Add testing tools for ongoing income. Phase 3: Reinvent those earnings into affiliate marketing campaigns using free AI tools. ■ Note: You can't fully complete Phase 1 without starting parts of Phase 2. Some testing platforms require active apps or survey participation before rewards unlock.
